

How to Upload and Share a Private YouTube Video

To submit your video application securely, please follow these steps to upload your video to YouTube and set it as **Private**. This ensures only people you choose can view it.

Step-by-Step Instructions

1. Sign in to YouTube

- Go to youtube.com and log in with your Google account.
- If you do not have a Google Account, you will be able to set one up here

2. Upload Your Video

- Click the **Create** button (camera icon with a “+”) in the top-right corner.
- Select **Upload video**.
- Choose the video file from your computer.

3. Set Visibility to Private

- During upload, find the **Visibility** section.
- Select **Private**.
- This means only people you invite can view the video.

4. Share Privately

- After saving, click **Share privately**.
- Enter the email addresses provided by the application instructions.
- Click **Done**.

5. Confirm Privacy Settings

- Go to **YouTube Studio** → **Content**.
 - Find your video and ensure **Visibility** is set to **Private**.
